[The Shroud in the Third Millennium: Confronting the Limits of Human Knowledge \(Dr. Cheryl White\)](#) – **Real Seekers** - October 16, 2025 – Video (1:02:50) – Description: “I’m joined by returning guest, historian Dr. Cheryl White, to talk philosophy and the Shroud in her new upcoming book (to be released by the end of November from Westbow Press). The Shroud represents an enigma or mystery which warrants the conclusion it serves as a sign to us. In this episode we go over the logic of such a conclusion vs. a mere fallacious appeal to God-of-the-gaps type reasoning. [4.10.1 Radiocarbon tests reveal more about how the Shroud was formed than when](#) – **Shrewd Manager Christianity** – October 16, 2025 – Video (7:04) – Description: “The 1988 radiocarbon results were widely reported as definitive proof that the Turin Shroud was a medieval creation. Yet more than three decades of peer-reviewed research have demonstrated that conclusion is statistically unsound: the three laboratories’ multiple test results vary too widely to be validly averaged into a single date range. Even more puzzling, significant inconsistencies appear both within and between samples. This leaves us with two logical paths. One is to reject the results — individually and collectively — and acknowledge that no reliable date was established, warranting a new round of testing. The other is to accept the individual results as they stand, but doing so means accepting their contradictions too. Those anomalies point less to when the cloth was woven and more to how the image was formed. <https://www.shroud.com/nature.htm> <https://www.shroud.com/pdfs/n21part3.pdf> <https://www.shroud.com/meacham.htm> <https://www.shroud.com/pdfs/anc-casab...> <https://www.researchgate.net/figure/C...> <https://www.shroud.com/vanhels3.htm> <https://web.archive.org/web/200404280...> <https://www.researchgate.net/publicat...> <https://pmc.ncbi.nlm.nih.gov/articles...> <https://www.researchgate.net/publicat...> [https://www.academia.edu/69241122/On\\_...](https://www.academia.edu/69241122/On_...)”

Nobody really believed it was the real thing and about 10yrs ago "Scientist Experts" said it was an undoubtable FORGERY.....No Question as Carbon dating and more PROVES it is a fake. I did a video a year ago claiming it was likely Real ..... I sent this Video to the ones making claims....This video is quite long because it was very serious and now I have much more..... (Most of this video is from one year ago). In the most recent "Expert" exam things have changed.....and experts now have much more including AI to help with a new detailed study. BTW the Gnostic and Bible texts of Jesus Resurrection are identical...there will much more to come as wee go thru the texts and compare.”

[The Shroud of Turin: Evidence of the Resurrection | Dr. Jeremiah J. Johnston](#) -

**Dr. Ben Edwards, M.D.** – October 13, 2025 – Video (58:04) – Description: “In this unforgettable episode, Dr. Ben Edwards welcomes biblical scholar and apologist Dr. Jeremiah Johnston for a mind-expanding conversation on one of history’s most studied and mysterious artifacts — the Shroud of Turin, believed by many to be the burial cloth of Jesus Christ. Dr. Johnston, a Harvard and Oxford-trained theologian, unpacks decades of scientific research revealing how this linen cloth bears an image that defies modern explanation — complete with forensic evidence of crucifixion wounds, first-century pollen unique to Jerusalem, and blood consistent with the biblical account. More than a historical investigation, this episode connects faith, science, and wellness. Dr. Edwards reminds listeners that true healing begins when the heart aligns with truth — that peace and joy flow not from striving, but from knowing the One who conquered death. Whether you’re a skeptic or believer, this conversation invites you to explore powerful evidence of the physical resurrection of Jesus, what it means for your faith, and how this truth can set you free — body, mind, and spirit.”

October 11, 2025 – Video (1:54:45) – Description: “Is the Shroud of Turin the authentic burial cloth of Jesus—or an elaborate medieval forgery? In this video, we explore groundbreaking research that adds new weight to the authenticity debate. Blood scientist Dr. Kelly Kearsse breaks down whether the blood on the Shroud of Turin has been scientifically tested — and what the results really show. Is the Blood Human? Is it Type AB? Is it Male? Could it be Semitic? Was the body washed or not? Dr. Kearsse earned his bachelor of science degree in biology at the University of South Carolina, his master of science degree in biology from Virginia Commonwealth University, and his Ph.D. in immunology from the University of Kentucky. Following completion of postdoctoral fellowships at Johns Hopkins (biochemistry) and the National Institutes of Health (immunology), Dr. Kearsse became a principal investigator at NIH in immunology. After several years, he transferred to the East Carolina University School of Medicine to have the opportunity to do both research and teaching. He's a nationally recognized scientist and speaker, and a published researcher in the field of blood analysis, with a special focus on eucharistic miracles and the Shroud of Turin. [Prof. Giulio Fanti - LA SACRA SINDONE-Parte prima - Intervista L. Bolgan – Bolgan Studi e Salute](#) – October 3, 2025 – Video (2:11:52) – Description: “RUBRICA OLTRE LA SCIENZA a cura della dr.ssa Loretta Bolgan [www.studiesalute.org](http://www.studiesalute.org). La Sindone di Torino è da sempre al centro di studi e riflessioni, ma le recenti ricerche del team del prof. Giulio Fanti offrono nuovi spunti sorprendenti. Analizzando il sangue presente sul Sacro Lino, sono stati individuati tre tipi distinti: tracce pre-mortem, post-mortem e persino quelle riconducibili all’ematidrosi, la rara sudorazione di sangue che i Vangeli descrivono nel Getsemani. Un dato impressionante riguarda il sangue post-mortem, che mostra una radioattività anomala, molto superiore a quella normale per tessuti umani. Questo elemento, se confermato, potrebbe mettere in discussione la famosa datazione al radiocarbonio del 1988 e aprire nuove ipotesi sulla formazione dell’immagine e sugli eventi della Risurrezione. Le tracce ematiche e i segni sul corpo raccontano con crudezza le atroci sofferenze di Gesù: la flagellazione, il trasporto della croce, i traumi multipli, fino alla morte per collasso cardiaco e respiratorio. Eppure, la Sindone non mostra segni di decomposizione: il corpo rimase avvolto nel telo per circa 36-40 ore, in linea con il tempo tra la morte e la Pasqua. Il modo stesso in cui l’immagine si è impressa sul tessuto resta inspiegabile: sembra frutto di un’energia misteriosa, intensissima, capace di rendere il corpo “trasparente” al

lino senza alterarlo. Un dettaglio che richiama da vicino la narrazione evangelica della Risurrezione. La Sindone si rivela così non solo una testimonianza unica della Passione e delle sofferenze di Cristo, ma anche un segno che unisce scienza, fede e mistero, aprendo prospettive nuove sul più grande evento della storia cristiana. Ne abbiamo parlato con il prof. Giulio Fanti, docente di Misure Meccaniche e Termiche all'Università di Padova, tra i massimi esperti mondiali del Sacro Lino. Da oltre 25 anni dedica i suoi studi alla Sindone, coordinando il gruppo internazionale Shroud Science e firmando più di 250 pubblicazioni scientifiche, molte delle quali proprio su questo tema. Solo nell'ultimo anno ha pubblicato 3 libri e 15 articoli su riviste specializzate, segno di un impegno costante e appassionato. In questa prima parte dell'intervista ci siamo concentrati su alcuni quesiti fondamentali: 1 □ Quali sono le principali novità emerse dalle ultime pubblicazioni scientifiche del prof. Fanti sulla Sindone? 2 □ Cosa è davvero la Sindone di Torino e cosa possiamo osservare guardandola? 3 □ Quali caratteristiche presenta l'immagine corporea impressa sul telo e perché, ancora oggi, non è riproducibile con i mezzi scientifici a disposizione? 4 □ Nel suo libro "Fotografia divina", il prof. Fanti mette in relazione l'immagine della Sindone con il concetto di fotografia, il Fuoco Santo di Gerusalemme e la reazione di Maillard: che connessione può esserci tra questi fenomeni? Sono domande che aprono a riflessioni profonde, dove scienza e fede si incontrano, mostrando come la Passione, la Morte e la Risurrezione di Cristo siano eventi che interrogano sia la ricerca scientifica sia la dimensione spirituale. Questa è solo la prima parte di un percorso: seguiranno altre interviste per approfondire i diversi aspetti della Sacra Sindone. Se avete domande o curiosità, scrivetele nei commenti e il prof. Fanti risponderà nelle prossime puntate."

[Was the Shroud of Turin Forged or Authentic? Teemu Hartikainen's Shocking Findings – Guy Powell](#) – September 23, 2025 – Video (49:11) – Description: “Is the Shroud of Turin truly the burial cloth of Jesus Christ—or just a medieval forgery? In this episode of The Backstory on the Shroud of Turin, Guy R. Powell interviews Finnish researcher and president of the Finnish Sindonology Society, Teemu Hartikainen. Hartikainen explores the controversial 1389 memorandum by Bishop Pierre d’Arcis, often cited as proof that the Shroud was a fake. Drawing on his research, Hartikainen explains why the so-called “letter” was never actually sent, why it lacks a date and signature, and how mistranslations in the 1900s altered its meaning. He also discusses the role of politics, the Black Death, and rival churches in shaping the story. By comparing the Shroud of Turin with the lost Shroud of Besançon, Hartikainen shows how history, faith, and science intersect in surprising ways. This deep dive into documents, translations, and motivations gives fresh insight into the authenticity of the Shroud—and its link to the Resurrection of Jesus Christ. 📄 Visit  [@guy.r.powell.shroudofturin](https://@guy.r.powell.shroudofturin) for other videos in this series of the Backstory on the Shroud of Turin 📄 Visit <https://GuyPowell.com> to learn more about Guy and his book, The Only Witness: A History of the Shroud of Turin To learn more about Guy, his work with the Shroud of Turin and his upcoming books, visit [guypowell.com](http://guypowell.com) To visit his Facebook page:  [/ahistoryoftheshroudofturin](https://ahistoryoftheshroudofturin) “

[Secrets of the Holy Shroud: Miracle or Medieval Hoax? - Full Documentary – We Love True Stories](#) – September 26, 2025 – Video (52:27) – Description: “Over the centuries, many false relics have been considered the Holy Shroud – the burial cloth of Jesus. But the faithful deem the Shroud of Turin authentic. In 1898, when amateur photographer Secondo Pia developed the images he took of it, he realised that the cloth revealed, in negative, the image of a man's body and face bearing the marks of crucifixion and torture, as Christ endured. For many believers around the world, the miraculous image, displaying all the characteristics of Christ's Passion and Resurrection, irrefutably proves the relic's legitimacy. But science suggests otherwise. Carbon 14 analysis in 1988 by three laboratories dates the shroud from the late 13th or 14th century, long after the death of Jesus. Defenders of the shroud remain undeterred. They point to the fact that no one can explain how the image became imprinted on the shroud in the first place. This documentary will investigate both sides of the argument to understand the origin and significance of this relic. Historians, archaeologists and scientists will search for clues in

religious texts, official documents and the latest research, hoping to shed light on this most famous of relics.”

In this video, Tom Dallis examines the latest claims against the Shroud, including Nicole Oresme’s 14th-century notes, and shows why they fail under scrutiny. From Walter McCrone’s “paint theory,” to the flawed 1988 carbon-14 dating, to modern bas-relief experiments, critics keep recycling objections that collapse against the evidence. **What Does the Shroud of Turin Reveal About the Resurrection of Jesus Christ? – Guy Powell –**  
September 18, 2025 – Video (36:09) Description: “What does the Shroud of Turin really reveal about the Resurrection of Jesus Christ? In this engaging episode of The Backstory on the Shroud of Turin, author and historian Guy R. Powell speaks with Jim Bertrand—renowned Shroud evangelist, researcher, and speaker—about insights from the 2025 Shroud Conference in St. Louis. Jim shares his reflections on meeting top Shroud researchers, discussing new scientific theories, and hearing groundbreaking presentations on burial rituals, historical accounts, and forensic evidence. From the question of coins on the eyes to blood analysis, weather phenomena at the Crucifixion, and the possible evidence of neutron trails, Bertrand highlights the most compelling discoveries. This conversation offers a rare combination of history, theology, and science—all pointing to the reality of Jesus Christ, the Resurrection, and the enduring mystery of the Shroud. Guy and Jim also discuss how ongoing research continues to connect faith with evidence, and how the Shroud remains a powerful tool for evangelization. In today’s episode of The Greg Laurie Show, Pastor Greg sits down for the first of two conversations with renowned scholar Dr. Jeremiah Johnston to explore one of the most controversial and fascinating relics in Christian history: the Shroud of Turin. Could this ancient linen cloth really be the burial cloth of Christ—and offer visual, physical proof of both his crucifixion and resurrection? Together, Greg and Jeremiah unpack the artifact’s historical, scientific, and spiritual implications—using cutting-edge research, personal anecdotes, and relatable faith conversations from family life to Oxford University and beyond. Whether you’re a lifelong believer, honest skeptic, or just curious about the mysteries of faith, this conversation invites you to consider both the evidence and the enduring hope at the heart of the Gospel: “Because He lives, you shall live also.”

The Shroud has long stood at the crossroads of faith, science, and mystery. Revered by many as the burial cloth of Jesus Christ and dismissed by others as a medieval forgery, it has been the subject of intense debate and scientific investigations. Recent scientific examinations are shedding new light on this ancient relic. Emerging evidence is challenging long-held assumptions and reigniting interest. We will discuss the history of the Shroud, previous scientific examinations, as well as more recent scientific findings which are forcing reconsideration; not only of its origin and authenticity; but also, its profound cultural and religious significance.”

The Shroud of Turin a linen cloth bearing the mysterious image of a crucified man—has fascinated believers, scientists, and skeptics for centuries. Some call it a medieval hoax, others see it as the closest physical evidence of Christ's resurrection. In this video, we dive deep into the Shroud through the eyes of Mel Gibson, the Oscar-winning filmmaker behind The Passion of the Christ. For Gibson, the Shroud is not just fabric—it is testimony. It shaped his vision of Jesus' suffering, guided his artistic choices, and continues to inspire his new project, Resurrection. From forensic details hidden in the cloth to the unexplainable 3D qualities of its image, the Shroud confronts us with a haunting question: is this

the greatest fraud in history, or the silent witness of divine love? ☐ What do you believe? Is the Shroud authentic? ☐ Does it change the way you think about faith, history, or your own life?"

The 14-foot linen cloth bears the image of a bearded man, leading many Christians to believe it lay on top of the body of Jesus Christ after his crucifixion; it has the likeness, the contours and the wound marks to match. However researchers have discredited that explanation; arguing it may be a scorch or a painting - and a high profile study released last week used 3D-modeling tools to determine the shroud may have rested atop a statue, not a person. So, are we any closer to understanding whether the shroud is proof of Christ - or a medieval hoax? [Shroud Wars: The D'Arcis Memo & the Bibliographical Test Challenge for Hugh Farey – Real Seekers](#) – August 12, 2025 – Video (59:51) – Description: “Bring it on Hugh! Hugh Farey has recently taken it upon himself to threaten to bring out his "big guns" in response to my latest Shroud review refuting the Godless Engineer by writing up a Blog post on the infamous D'Arcis Memorandum. At one point I probed Hugh for actual evidence that the only two folio manuscripts of the D'Arcis Memo in existence are both actually original autographs instead of later manuscript copies (given that our earliest explicit mention of the folios themselves only comes in ca. 1877). Should the two folios extant today not be the originals, but are later manuscripts dating after the 14th century, then its plausible to suggest that perhaps there can be any number of unknown transcription/scribal errors and/or interpolations in the two extant folio manuscripts vs. what the original autograph itself actually said. Despite various potential ways to establish such a claim evidentially, Hugh had nothing more than insults and mindless dismissal to offer in response on my YouTube comments and so I hereby challenge him to write a Blog proving his claims regarding the folios specifically and to present sound reason and evidence for his claim that the two extant folios of the Memo are, in fact, the originals as written by D'Arcis himself (or his scribe) back in 1389-1390 A.D. Of course, even if Hugh is successful in meeting this challenge, the D'Arcis Memo still suffers from all the other criticisms and objections already raised by Pro-Shroud historians and experts who assume that D'Arcis did write the Memo as we see it today in the folios. [Shroud Wars: Debating WAXS vs. C-14 \(w/ Skeptic Evil Christianity\) + Refuting the Godless Engineer](#) – **Real Seekers** – August 9, 2025 – Video (2:28:36) – Description: "Alright, this one is a two for one type deal, in the first half of the episode, I was asked to do a debate/discussion with Mike from the Evil Christianity Podcast on the topics of the WAXS dating vs. the 1988 C-14 dating of the Shroud. In the end, Mike, as a very humble and respectful skeptic, admitted that I really provided an intriguing Pro-Shroud case that he wants to look into further :) The second half is a fan request from "Ghawk" who asked me to respond to a Shroud skeptic named Godless Engineer, a typical ignorant and arrogant fundy lay online Shroud skeptic. I didn't have much time to deal with his Satan-induced supernatural skeptical stupidity, so I only reviewed the first 22 mins of his 40 min video. [The Shroud of Turin: Hoax or Holy Relic? | Faith Meets Reason w/ Fr. Andrew Dalton](#) –

**Curiously Catholic** – August 5, 2025 – Video (1:12:29) – Description: “What if one of the most controversial relics in history actually points to the truth of Christianity? In this episode of Curiously Catholic, Fr. Andrew Dalton — international expert on the Shroud of Turin — joins us to explore the intersection of science, reason, and faith. Is the Shroud real? What does it tell us about Jesus, the resurrection... and ourselves? But we don't stop at carbon dating and forensic evidence. We ask the deeper questions: Can science lead us to God? Is belief in Jesus intellectually credible? What role does mystery play in our faith? This isn't just about the cloth — it's about how we come to believe in a skeptical age. Whether you're curious, questioning, or committed, this conversation will challenge your assumptions and deepen your wonder.”

[Rating the Image Formation Hypotheses](#) - **Dialogues In Philosophy, Religion, and Science** –

July 29, 2025 – Audio (39:27) – Description: “This comprehensive analysis systematically evaluates various hypotheses regarding the formation of the image on the Shroud of Turin,

scrutinizing each against a detailed list of "Image Characteristics Related to Cloth" and "Image Characteristics Related to Body." For each hypothesis, such as "Contact," "Gas Diffusion," "Painting," "Bas-Relief," "Frottage," "Proto-Photograph," "Shadow," "Radiation Fall-Through," and "Corona Discharge," the document meticulously assesses its consistency with observable features of the Shroud's image. The evaluations are categorized as Consistent, Questionable, or Inconsistent, providing specific reasons and referencing experimental results or logical implications. The text's purpose is to determine which image formation hypotheses best align with the unique and complex properties of the Shroud's image, often highlighting where proposed mechanisms fail to reproduce key features like "Superficial Image," "3-Dimensional" qualities, or the "No Image Under Blood" characteristic."

[Image Characteristic Evidence](#) - **Dialogues In Philosophy, Religion, and Science** – July 29, 2025 – Audio (52:11) – Description: "This podcast, "Image Characteristic Evidence," delves into the unique scientific features of the body and blood images found on the Shroud. It systematically categorizes these characteristics into those related to the cloth itself and those concerning the body depicted. Key findings highlight the image's extraordinary superficiality, meaning the coloration exists only on the very surface fibers of the linen, and the absence of artistic mediums like paint. Furthermore, the document emphasizes the three-dimensional properties of the image, where image density correlates with the distance between the cloth and the body, and forensic evidence confirming the presence of human blood that was on the cloth before the image formed. Collectively, these seventeen detailed characteristics provide crucial data for evaluating various hypotheses about the Shroud's origin."

[Carbon Dating: Science's Biggest Mistake? The Shroud is Real!](#) - **Verbum Dei Catholikos** – July 26, 2025 – Video (18:27) – Description: "Did you know that carbon dating, used to discredit the Shroud of Turin, may be completely wrong?
