

The Shroud on the Internet

Summer 2025

Although this section is not as extensive as the videos and audios section mentioned above, there are still multiple pages of links to new internet content in today's update! Of course, we can't include *everything* on this page, so we have once again created a separate pdf file that you can download and view at your convenience (see link below). Items in that file are listed in chronological order with the most recent at the top of the list.

There is a new documentary on the Shroud, titled “The Shroud of Turin” from EWTN Studios, directed by Nathan Leon, which aired during the Easter season. This documentary includes a recreation of the crucifixion and resurrection scenes with emphasis on the mystery of the Shroud. The experts interviewed for this documentary include Dr. Cheryl White, Fr Robert Spitzer, and Fr Peter Mangum.
