

SHROUD BOOKLETS

In an earlier *Newsletter* we announced the availability of an attractive 28 page silver-covered booklet of colour photographs of the Shroud and the 1978 testing *The Turin Shroud Worldwide Exhibition*. Thanks to the generosity of Fr. Kim Dreisbach and air transport from the U.S.A. by Delta Airlines, an unexpectedly large number of copies were made available to us, any sale from which is a valuable help to Society funds. The booklets include a 2 foot long pull-out centrefold with the best colour photograph of the Shroud available in any publication. Copies can be obtained for £3.50 each, or at a special price of £5 for two, post free, from Susan Black, 21 Stanley Gardens, London NW2 4QH. Please quote "Silver Booklets" with your order. Cheques/postal orders should be crossed and made payable to the British Society for the Turin Shroud.
